## Description / Comments

Buster XXL 150 HP – Exceptional Condition, Full Fishing Setup  
Well-maintained Buster XXL in excellent condition, registered in Estonia, originally imported from Finland.  
Only 162 engine hours on the Honda BF150 — extremely low for a 2011 boat.  
Professionally upgraded in 2025:

Garmin Panoptix livescope system  
Minn Kota electric trolling motor  
Garmin fishfinder/depthsounder  
New riding cover and transport cover  
New Respo trailer

Additional highlights:

Full service history documented  
Premium wrap: matte black with orange accents  
Watersports package included: water skis, kneeboard, towable tube  
Ready to launch immediately

Perfect for serious fishing or family days on the water. A rare opportunity to get a fully equipped turnkey setup without the hassle of sourcing extras separately.  
Located in Harjumaa, Estonia. Viewings welcome by appointment.
